

Invitation to the Hagerbach NXT 50 Festival

Hagerbach Test Gallery celebrates its 50th birthday in the form of a hybrid event on **June 18, 2021**. We are exhibiting at the festival and show our latest products and services. Visit us online or physically and get in contact with our experts.

Besides the exhibition, a versatile programme with international speakers awaits you on the main stage. All presentations, round tables and acts will be broadcast live. Follow the exciting presentations wherever you are, regardless of travel restrictions.

The keynote from Reinhold Messner on "Driving the NXT 50 for a sustainable world" at 11.00 CET will certainly be one of the highlights.

What can you expect?

- Round tables, keynote, presentations and launches on the main stage
- Live-Streams from the exhibitors
- Exhibition physical and virtual
- Guided tours in the tunnel
- Culinary delights during the day
- Exchange with the experts present
- Networking Lounge
